EQUINE FINANCE SOLUTIONS

SOUTH AUSTRALIAN STATE DRESSAGE CHAMPIONSHIPS

EQUINE FINANCE SOLUTIONS

The Equestrian Lending Specialists

Equine Finance Solutions have an eye for a good loan.

We finance horse trucks, floats and vehicles, equestrian properties (including those that are income-producing from equine-related industries), business loans, trade finance and even horses and saddlery.

We can also finance arenas and stable fit-outs and veterinary finance, equipment for the racing industry, just to name a few.

With access to over 40 banks and non-bank lenders, each having different products and policies available to our clients, we take the hard work out of sourcing the right finance to suit your individual situation.

We have an amazing team behind the scenes and we are continually focused on growing the suite of lending products available to equestrians. We hope to be able to assist everyone in the equine world from all industries and riding disciplines.
