

Eventing SA Rider Levy

There is no mistaking that events are expensive to run and also demand considerable volunteer time. Eventing Discipline committees in all states collect an eventing levy for the purpose of supporting and developing the sport. SA is no exception. A component of the event entry fee is the rider levy, set at \$22 incl GST for 2024/2025. The levy is applied to all riders across all our events.

Here is a guide as to what your levy is used for.
